

# FEBS Advanced Lecture Course: 5<sup>th</sup> Danube Conference on Epigenetics 28-31 October 2024, Budapest, Hungary

## Invitation

Following the success of the previous Epigenetic Conferences in Budapest (2012, 2014, 2016, 2018 and 2022) we are delighted to announce that the next **Danube Conference on Epigenetics** will be held between **28-31 October, 2024** again in Budapest.

The following topics will be discussed in detail:

1. Data visualisation
2. Epigenetics and transcription
3. Epigenetics and differentiation
4. Epigenetics and disease
5. Epigenetics and aging
6. Epigenetics and model organisms
7. Transgenerational inheritance

## Confirmed speakers

### Keynote Lecturers

Kenneth Zaret, *USA*  
Oded Rechavi, *Israel*

### EMBO Keynote Lecturer

Maria-Elena Torres-Padilla, *Germany*

### Confirmed Speakers

Julie Ahringer, *UK*  
Cecilia Arraiano, *Portugal*  
Petra Hajkova, *UK*  
Kristian Helin, *UK*  
Ian R Henderson, *UK*  
Nicola Iovino, *Germany*  
Helena Jambor, *Germany*  
Rob Klose, *UK*  
Tineke Lenstra, *The Netherlands*

Susan Mango, *Switzerland*  
Celia Martinez-Jimenez, *Germany*  
Eric Miska, *UK*  
J. Andrew Pospisilik, *USA*  
Claire Rougeulle, *France*  
Peter Tessarz, *The Netherlands*  
Laszlo Tora, *France*  
Michiel Vermeulen, *The Netherlands*

## Important dates

Submission of abstracts  
30 June 2024

Payment of early registration fee  
15 July 2024

Recommended date for hotel  
reservation  
31 August 2024

Cancellation of registration  
without penalty  
10 September 2024

## Scientific Organising Committee

Tamas Aranyi, *Hungary*  
Petra Hajkova, *UK*  
Celia Martinez-Jimenez, *Germany*  
Andrew Pospisilik, *Germany*  
Lorant Szekvolgyi, *Hungary*  
Laszlo Tora, *France*

**SAVE THE DATE!**  
**28-31 October 2024**
